

# Before you Apply

[View PDF](#)

[Choose Your Program](#)

The Graduate School offers masters and doctoral degrees for more than 130 research-based graduate programs across two campuses. Which path will you choose?

[Review Application Criteria](#)

Application requirements may vary from program to program. Be sure you have the correct materials, and qualifications.

[International students](#) must complete a few additional steps as part of their application process. Be sure to review all of the international application requirements before beginning the application process.

[Contact Your Program of Interest](#)

Programs that require specific materials may not review your application for admission until they receive these materials.

[Check Application Deadlines](#)

To ensure your application is processed efficiently, we strongly recommend that you submit your completed application and all required materials at least two weeks before your application deadline.

[Understand the Costs](#)

Tuition costs vary by school year, the number of credits you plan to take, and whether you're a resident or non-resident.
